PROFILE

Multidisciplinary designer combining product design, brand systems and technical understanding. Practicing design since 2017, with professional roles since 2021 across SaaS, mobility, education, recruiting and consumer services. Leads Rebrand - TheBrand while taking independent client engagements and co-building SOMA.

EXPERIENCE

Founder & Creative Director | Rebrand - TheBrand

2024 to Present | Lagos, Nigeria (Remote)

- Founded and direct a multidisciplinary creative agency, translating client briefs into identity systems, product experiences and coordinated design delivery.
- Led brand and product design for Lykluk, spanning mobile video and commerce flows, a creator web experience and an administrative interface.
- Directed Revolve's brand identity and supporting system, and Project I-Q's corporate identity overhaul and guidelines.
- Directed brand and digital-experience strategy for Wellanin, including presentation and collateral work.

Co-Founder, Product Design & Brand Strategy | Checksoma (SOMA)

Jul 2026 to Present | Remote

- Co-founded and lead product UX, architecture, visual identity and go-to-market design for an offline-first school operations platform tailored to Nigerian school workflows.
- Designed administrative and academic journeys addressing attendance, assessment and fee tracking; current product work includes beta-stage testing.

Independent Product & Brand Designer | Freelance

Nov 2023 to Present | Remote

- Designed PolarRide's mobility product and companion web experience, with localized country configuration and modular onboarding and verification patterns.
- Developed Popin's brand and user/host-facing flows for a shortlet, rental and events product through reported alpha-stage collaboration.
- Designed a component-based UI system for Fit-Nest's gym membership application.

Senior UI/UX Designer & IT Project Manager (Contract) | Reboot Monkey

Sep 2024 to Oct 2025 | Netherlands (Remote)

- Redesigned the company website and supported internal tools spanning time tracking, project operations and process automation, collaborating with developers and stakeholders.

UI/UX & Product Designer | SoftStructures Limited

Oct 2021 to Mar 2024 | Lagos, Nigeria

- Designed Scout4Job, a recruitment platform, and NeuRMS, a localized retail management product.
